

Bus Service Information

Winsor offers fee-based private bus transportation services. Families can sign up for either one-way or round-trip service for the school year; drop-ins are not allowed. Buses operate off of the school day schedule; students who are staying after school for sports, rehearsals, or other commitments often utilize public transportation or arrange carpools to commute home. Students who receive financial aid from Winsor are eligible for aid to offset the cost of the bus.

Below you will find our 2024–25 bus routes. This information is subject to change, as stops may be eliminated or moved based on bus enrollment. Winsor must have a critical mass of students at a location on an existing route to add a new stop.
